

# REPUBLICANS ARE WINNERS

## COUNTY MAJORITIES ARE VERY LARGE

### The Winners

The winners in the county are as follows:

P. HUBBARD, for Congress.  
O. A. ASHBURN, for State Senate.  
C. M. HART and M. A. RIBLETT for the legislature.  
B. B. STOUT, for County Commissioner.  
C. E. WEBB, for school superintendent.

The majorities are as follows in the county:

Hubbard ..... 716  
Ashburn ..... 873  
Hart ..... 787  
Riblett ..... 753  
Stout ..... 474  
Webb ..... 773

Hubbard's majority in the district will reach 4,000.

The Republican ticket in Harrison county won a sweeping victory Tuesday, being elected from top to bottom, and the county will remain under the glorious flag of the Grand Old Party.

The results are not at all surprising and are a matter of great gratification in an off year, especially on account of the new tax laws, which were just beginning to operate, and every issue advanced in the campaign by the Republicans has been indorsed and vindicated.

A spectacular campaign was made on the part of some of the Democratic candidates, innovations which they thought would be to their advantage. They campaigned every section of the county and spent every moment electioneering.

At the polls the policy of the Democrats was to obstruct the election in every possible manner and the Democratic election officers fought every inch of ground, observing the instructions given them by the committee to the letter. So obnoxious in some places was their conduct that voters, who had voted

in the county many years, turned away in disgust without exercising their right of franchise. Under such conditions the victory is, indeed, most sweeping and significant.

The party has been vindicated. Good government has been indorsed. Roosevelt has his hands upheld. Governor Dawson has been vindicated. Senator Elkins goes back to the United States senate. The candidates themselves have been overwhelmingly approved. Harrison county has shown its love for a clean ticket, one that will represent all the interests of the county and all the people.

The election passed off quietly, except where Democratic election officers acted in an ugly manner. All was serene in the Republican camp from the time the polls opened until they closed.

Being an off year the total vote was considerably reduced but the losses or stay-at-home vote was well proportioned among the parties. Democrats in many sections were so content with conditions under the new tax laws that they did not make any effort to go to the polls. They held themselves aloof from the influences of the Democratic leaders and workers, and thus gave partial endorsement at least to the new tax system as instituted by the Republican party for the benefit of the people.

The Republicans did good work and are to be praised. Every one, even hundreds of Democrats, are pleased with the outcome of the battle and the victory won.

The blow is so great that Democrats themselves confess the utter hopelessness of the outlook for the future of their party. The county court is safely Republican for at least four more years. The schools of the county will remain under the supervision of the Republican party. The legislature is Republican to stay.

The county victory is so complete that confidence is expressed that in a year or two more there will not be a single Democratic precinct in the county.

### CULLUM GOES BACK TO SENATE

(By Associated Press.)  
CHICAGO, Ill., Nov. 7.—Illinois went Republican by over 100,000. Chicago gave the state ticket a plurality of 500,000. The Republicans lost two congressional districts apparently in Chicago and two more down the state, making a gain of four for the Democrats. The legislature is undoubtedly Republican by a good majority on joint ballot. This insures the return of United States Senator Shelby M. Cullum.

### BUCKEYE STATE IS REDEEMED

(By Associated Press.)  
COLUMBUS, O., Nov. 7.—In a telegram to President Roosevelt at 1 o'clock this morning, Senator Charles Dick claimed the election of all the Republican candidates on the state ticket by 75,000 and the election of 17 Republican congressmen. The defeat of Hildebrand in the sixth, J. C. Rosser in the fourth, and Congressman Smyser in the seventeenth, were concessions, while the fight was held to be in doubt. Later press reports from the ninth district announced the election of General Sherwood, Independent Democrat, and various reports from the sixth district agreed on the defeat of Hildebrand by Matthew E. Denver. The full returns may change the result on these two districts.

### CHARGED WITH ILLEGAL VOTING

(By Associated Press.)  
INDIANAPOLIS, Ind., Nov. 7.—Latest returns from Indiana indicate a majority of from 20,000 to 25,000 for the Republican state ticket with the legislative Republican on joint ballot, although it may take the official count to determine the complexion of the house of representatives. The Democrats gained two congressmen and possibly more. George W. Rauch defeated Representative Fred Landis in the eleventh district. John A. Adair defeated Representative Geo. Cromer in the eighth. Indications are the Republicans elected three congressmen in the second, fifth and twelfth districts. The official vote may be required.

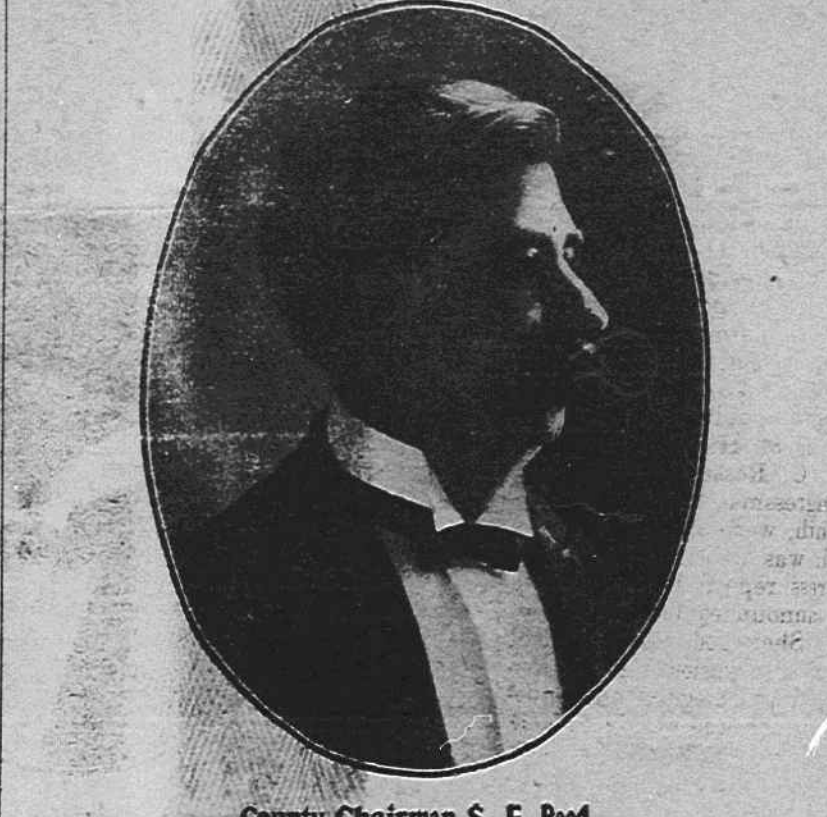

### STATES ALL REPUBLICAN

(By Associated Press.)  
SAN FRANCISCO, Cal., Nov. 7.—Returns not yet complete indicate that Gillette, Republican, is elected governor. A solid Republican delegation is elected to congress.

(By Associated Press.)  
BOISE, Idaho, Nov. 7.—Meager returns indicate Gooding, Republican, will be elected for governor by less than 1,000 majority.

(By Associated Press.)  
DES MOINES, Ia., Nov. 7.—Reports from about half of the counties of the state received indicate the Republicans carried the state for the entire ticket by about 25,000.

(By Associated Press.)  
TRENTON, N. J., Nov. 7.—The Democrats elected four congressmen in New Jersey, a gain of three.

County Chairman S. F. Reed

### FRED LANDIS IS DEFEATED

(By Associated Press.)  
INDIANAPOLIS, Ind., Nov. 7.—Latest returns from Indiana indicate a majority of from 20,000 to 25,000 for the Republican state ticket with the legislative Republican on joint ballot, although it may take the official count to determine the complexion of the house of representatives. The Democrats gained two congressmen and possibly more. George W. Rauch defeated Representative Fred Landis in the eleventh district. John A. Adair defeated Representative Geo. Cromer in the eighth. Indications are the Republicans elected three congressmen in the second, fifth and twelfth districts. The official vote may be required.

(By Associated Press.)  
FORT WAYNE, Ind., Nov. 7.—Unofficial returns from the counties in the twelfth district show John W. Morr, Democrat, elected to congress over Clarence C. Gilhams, Republican.

More complete returns received today show the Democrats elected five out of thirteen men which is a gain of three and the latest reports indicate the thirteenth district is in doubt. There is doubt in the result in the second district.

(By Associated Press.)  
PITTSBURG, Pa., Nov. 7.—Stuart, Republican, carried the state overwhelmingly for governor.

### CHARGED WITH ILLEGAL VOTING

Charles Blake, formerly engaged in newspaper work in this city, but for some time past in Cumberland, Md., awaits a hearing in Magistrate Gordon's court Friday morning at 9 o'clock under bond of \$200 on the charge of illegally voting at the Gore livery stable polls in Tuesday's election. His arrest was made at the instance of Frank R. Moore, who alleges that Blake is not qualified to vote here because he has taken up his residence elsewhere. It is alleged that his family resides in Charles Town and that he has not been in the county or precinct the length of time required by law. Blake declares that he has always held this city as his home and his mother resides here. John W. Davis went on his bond.

### BRYAN LOSES OWN STATE

TOPEKA, Kan., Nov. 7.—Complete returns from 71 out of 105 counties received at Republican headquarters show a plurality of 1,000 for Hoch, Republican, for governor. The Democratic state committee, however, still claims the election of the Democratic candidate. It is generally conceded the rest of the Republican state ticket is elected. The legislature is Republican and will name a successor to United States Senator Benson.

## WEST VIRGINIA REPUBLICAN BIG

### HUGHES'S MAJORITY 60,000

(By Associated Press.)

NEW YORK, Nov. 7.—Revised returns, some of them based on estimates, indicate a plurality of about 135,000 for Hughes above Bronx. This would make his plurality in the state about 60,000. Bruce, Republican, for lieutenant governor, was elected by a narrow margin, but the Democratic candidates for other state offices ran ahead of their tickets and appear to be elected.

With incomplete returns outside of Greater New York the result of yesterday's election in New York state, aside from the head of the ticket, is still in doubt today. At 10 o'clock this forenoon there was still a possibility the entire Democratic state ticket aside from governor had been elected. All the Democratic state candidates ran far ahead of Hearst in Greater New York and their pluralities here of approximately 140,000 over their Republican opponents may have the effect of overcoming the Republican lead in upstate counties.

On the face of the present returns Hughes came down to Harlem river with a lead over Hearst of a little more than 135,000. While this is sufficient to give him a lead of considerably more than 60,000 over Hearst, Hughes' associates have a far greater plurality rolled up by the remainder of the state ticket to meet.

William Farnes, Jr., of Albany, issued a formal statement this afternoon claiming figures received by him show the election of the entire Republican ticket in the state.

### CONGRESS IS REPUBLICAN

(By Associated Press.)  
CHICAGO, Ill., Nov. 7.—A dispatch to the Associated Press today shows that (with 19 districts missing) the Republicans elected 212 members of congress and the Democrats 155. As the returns stand now the Democrats gained 21 districts held in the present congress by Republicans.

FARGO, N. D., Nov. 7.—Late state returns show Sares, Republican, is elected governor.

### All Winners

West Virginia is solidly Republican. Every congressional district in the State was carried by the Republicans and every Republican candidate for congress, therefore, is elected.

Hubbard's majority in the district is shown as follows:

	Hubbard.	Riley.
Harrison	716	
Hancock	422	
Brooke	301	
Ohio	1,400	
Marshall	900	
Lewis	271	
Marion	610	
Wetzel		550

Totals ..... 4,620 550

Hubbard's majority, 4,070.

Sturgiss wins in the Second by the following majorities:

	Sturgiss.	Dent.
Monongahela	1,125	
Preston	2,000	
Mineral	600	
Berkeley	150	
Tucker	450	
Barbour	250	
Grant	850	
Taylor	50	
Morgan	600	
Jefferson		750
Randolph		300
Pendleton		250
Hampshire		800
Hardy		400

Totals ..... 5,475 2,500

Sturgiss' majority, 2,975. Gains nearly 5,000 majority in the third. Harry Woodward 2,630 in the fourth and Hughes 4,000 in the fifth.

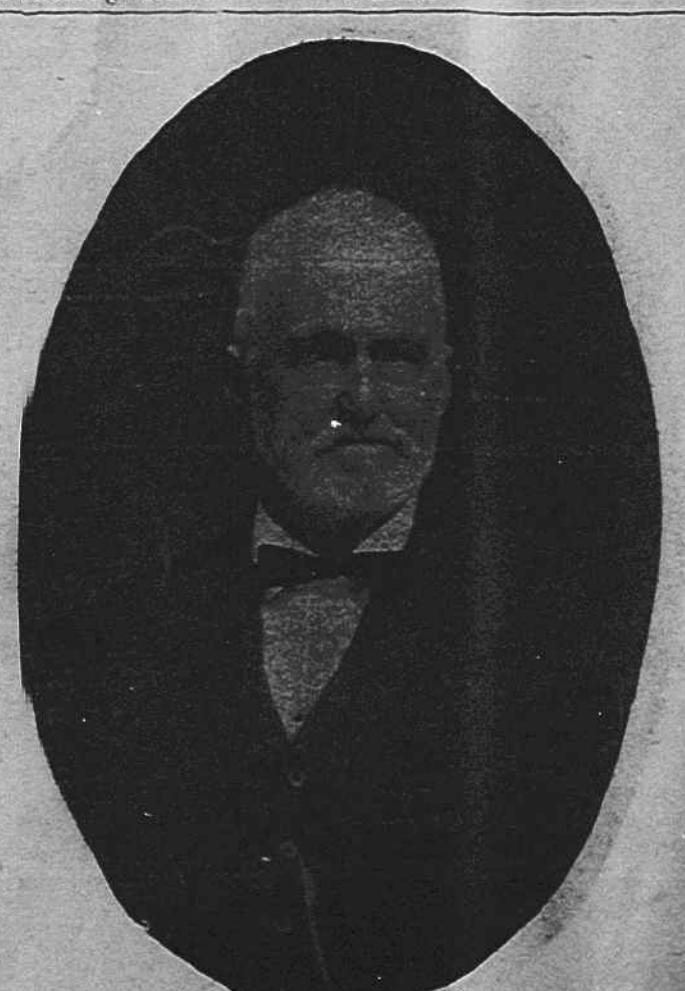

The legislature will again be overwhelmingly Republican, with a majority on joint ballot nearly approaching that of the body elected two years ago. Of the legislative candidates elected yesterday sixty-nine are Republican, twenty-three Democrats, and nine in doubt. Of the fifteen hold-over senators thirteen are Republicans and two Democrats. With an even break on the doubtful counties and districts the Republican majority on joint ballot will be sixty-six, or nine more than the majority of the present legislature.

R. L. Bland, Democrat, was elected to the legislature in Lewis county by 257 majority. The Republicans elected all other candidates by majorities ranging from 200 to 450. Ashburn carried the county by 110.

(By Associated Press.)  
ST. LOUIS, Mo., Nov. 7.—While all the returns are not yet in indications are the state marched back to Democratic ranks. The legislature seems Democratic in both branches. Democrats have not only elected their five congressmen, but also made a gain of eight or more.
